

## **CUMBRIA UNION OF GOLF CLUBS**

### **COUNTY CARD 2023**

#### **A): For affiliated male members of the Cumbria Union of Golf Clubs.**

We have recently changed the way in which we provide the County Card to male members of affiliated clubs in Cumbria. The County Card is available, free of charge, to all male members of affiliated clubs within the Cumbria Union. The card is valid at 31 clubs in Cumbria and over 1,400 clubs across England. The card entitles the holder to discounted golf, strictly subject to the terms laid down by the individual participating club. This facility arises out of the Cumbria Union's use of Intelligent Golf's software.

We now have a digital card via an App on your mobile phone. This is free of charge and available for any affiliated male member of a Cumbria participating Club registered with WHS.

To download the App simply search for 'igCounty' within the Apple Store or Google Play Store. When you have successfully downloaded the App simply select Cumbria Union, and press 'Save' from the list of Counties.

You will be taken to the Home screen.  
Now you can download your free County Card.

Click the County Card icon in the bottom right of the screen and then click 'continue'  
Enter your CDH number, surname and email address where indicated.  
Enable notifications to receive email notifications about County events and news from your home County.

Click 'Activate County Card'

Note: If you do not know your CDH number your golf club should be able to help you  
Your County Card will now be installed in the App.

The expiry date is updated each year, to renew your card you simply need to fully close the App on your phone and reopen it. The expiry date will automatically renew.

Go to the BB&O website to discover Counties in the County Card Scheme.

Go to the CUGC website for the Terms and Conditions of our County Card Scheme. The instructions above are repeated there as well. ([www.cumbria-golf-union.org.uk](http://www.cumbria-golf-union.org.uk))

***All Gentlemen are encouraged to download the County Card*** as above, not only does this do everything the former card used to do but it also confirms your Name, Handicap Index, Home Club and your CDH Number for use with third parties as well as giving access to other information.

#### **B) For (i) affiliated members of the Cumbria County Ladies Golf Association**

**&**

#### **(ii) members of the Cumbria Union of Golf Clubs without a mobile phone facility**

Your Union and Association will continue to issue you on application, or by default, with the traditional paperboard card, on application to your Secretary or Manager. You are asked then to enter your name, club & CDH number and the card will be validated by the Club.
